Ocean Blue

Ocean Blue

Wonderfully intense, Pacific Blue is a fresh and sophisticated urban perfume, that naturally combines sensual, energetic and invigorating scents. Top notes of Calabrian Bergamot are enhanced by a slightly fruity accord, while the flowery body notes of Jasmine and Geranium give a great elegance to this fragrance. The intensity base notes of cedar wood, associated with the enveloping notes of Patchouly and masculine Oakmoss, bring this perfume to an absolutely new dimension.

Golden Times

Golden Times

A tribute to strength and sophistication, Golden Times is a fragrance whose freshness perfectly matches with persistent and hypnotic notes. The fresh opening scent, accompanied by the spicy notes of Pimento, give this fragrance a magnetic and masculine depth. The fragrance blends citrus notes with flowery Sambac Jasmine, empowered by hints of Lavender, and develop all his strength and warmth with woody, amber and musky notes.

Deep Purple

Deep Purple

A unisex perfume with unique personality, Deep Purple is a soft and powerful fragrance, ideal for those who love to be remembered for their scent.

Top citrus notes of Bergamot of Calabria, Lemon and Orange of Sicily are combined with fruity nuances of Apple, Pineapple and spicy notes of Pink Pepper, on a flowery base of Jasmine Sambac. Daring notes of leather and woody meet a blend of Patchouly, Amber, Musk and Oak Musk that wraps you like a second skin.

Fragrance For Men

Orange Vibes

Orange Vibes

A vibrant perfume dedicated to the modern traveler, who never compromise on style and comfort. This scent opens with citrus notes of Calabrian Bergamot and Sicilian Mandarin, softly blended with Armor notes. The delicate heart of Jasmine and Black Pepper, is enhanced by the elegance of Cardamom. The base is intense and powerful, and it embraces woody notes of Virginia Cedarwood and Mysore Sandalwood.

Green Spirit

Green Spirit

A very special and original fragrance, Green Spirit takes you on a journey of sensuality and grace, towards a world of new adventures. This magnificent and virile perfume presents a very particular components, opening with the top notes of Rhubarb, enveloped with wild notes of Anise, Juniper and touches of classy Cashmeran. Its captivating base is enriched with persistent notes of Sandalwood, Cedarwood and Styrax that takes you on a mysterious journey.

Silver Style

Silver Style

A delicate yet strong perfume perfect for the contemporary and metropolitan gentlemen.

The fragrance opens with citrus notes enhanced by a touch of floral notes of Neroli and Orange Blossoms, that perfectly support each other in radiant harmony. The middle notes revolves around the elegant floral nuance of Freesia and Jasmine, in harmony with the fresh Rosemary and the spicy Cardamom. Base note of Cedarwood and Patchouli combined with Oak Moss and Musk, brings warm an incredible persistence to this perfume.

Rose Gold

Rose Gold

The name sounds elegant and simple, and it says it all. Rose gold is an exquisite female fragrance that evokes a summer dream in a heavenly garden, where the warmth of the sun enhances the scent of fruits and flowers to please all the senses.

Enriched with fresh Oriental notes of Yuzy, Rose Gold blends the sweet notes of Strawberry leaves and Neroli with a bouquet of Roses, Jasmine and Orange Blossoms. The flowery body interplays with a touch of Vanilla, until the persistent notes of Amber, White Musk and precious woods reveal a surprising effect.

Turquoise Notes

Turquoise Notes

Research, emotion, and sensations: these elements have led to the identification of the original and seductive female fragrance, voluptuous and elegant. Turquoise opens with delicate fruity scent of White Peach and Mirabelle Plum, in harmony with spicy notes, that introduce a flowery heart of Tuberose, Lily and Magnolia. The base notes are a skillful mix of Cashmere Wood, Amber and Tonka Beans, which results in a perfectly balanced and hedonic perfume.
